IMPORTANT TAX CHANGES

USE TAX. (36 M.R.S.A. § 1861-A). For tax years beginning after 2002, use tax on items costing more than \$5,000 must now be reported and paid by the 15th day of the month following its purchase. Payment of use tax on these items cannot be postponed to the due date of the income tax return.

COMBAT CASUALTIES. (36 M.R.S.A. § 5116). For tax years beginning after 2002, taxpayers whose federal income tax liability is forgiven under IRC § 692 due to a combat casualty are similarly granted a waiver from Maine income tax for the same period or periods.

PENSION INCOME DEDUCTION. (36 M.R.S.A. § 5122(2)(M)). The law clarifies that distributions from an eligible deferred compensation plan under Internal Revenue Code § 457(b) made prior to age 55 qualify for the pension deduction only if the distribution is made as part of equal periodic distributions for the life of the primary recipient or the joint lives of the primary recipient and the primary recipient's designated beneficiary. The law also clarifies that distributions from eligible retirement plans do not qualify for the deduction if the distributions are subject to the federal additional tax on early distributions under section 72(t) of the Internal Revenue Code.

QUALIFIED TUITION ADD-BACK. (36 M.R.S.A. §5122(1)(Q)). For tax years beginning on or after January 1, 2003, the amount of qualified tuition and other educational expenses deducted under Code § 222 must be added back on the Maine return.

NATIONAL HEALTH SERVICE CORPS SCHOLARSHIP PROGRAM & ARMED FORCES HEALTH PROFESSION SCHOLARSHIP AND FINANCIAL ASSISTANCE PROGRAM. (36 M.R.S.A. § 5122(1)(S)). For tax years beginning in 2003, 2004 and 2005, income received from the National Health Service Corps Scholarship Program and the Armed Forces Health Profession Scholarship and Financial Assistance Program that is not included in federal adjusted gross income must be added back.

STUDENT LOAN INTEREST. (36 M.R.S.A. §5122(1)(V)). For tax years beginning in 2003, 2004 and 2005, student loan interest paid after 60 months from the start of the repayment period that is deducted on the federal income tax return must be added back.

STANDARD DEDUCTION AMOUNTS. (36 M.R.S.A. § 5124-A). For tax years 2003, 2004 and 2005, Maine will not conform to federal increases in the standard deduction amounts.

CHILD CARE CREDIT. (36 M.R.S.A. §§ 5218(1) & (2)). For tax years beginning in 2003, 2004 and 2005, the Maine child care credit is reduced from 25% to 21.5% of the federal child care credit.

EARNED INCOME CREDIT. (36 M.R.S.A. § 5219-S). For tax years beginning in 2003, 2004 and 2005, the Maine earned income credit is reduced from 5% to 4.92% of the federal earned income credit.

NONRESIDENT MAINE-SOURCE INCOME. (36 M.R.S.A. § 5142(1)). Provisions governing Maine-source income of nonresident individuals are amended to include payments received from 3rd parties for the transfer of rights to future proceeds related to Maine State Lottery or Tristate Lotto tickets purchased in Maine.

CREDIT FOR TAXES PAID TO ANOTHER JURISDICTION. (36 M.R.S.A. § 5217-A). The individual credit for taxes paid to another state is clarified to relate only to income derived from sources in that other state determined in the same manner as Maine-source income is determined under 36 M.R.S.A. § 5142 for nonresident individuals.

BONUS DEPRECIATION ADD-BACK & SECTION 179 EXPENSING. (36 M.R.S.A. §§ 5122(1)(N); 5122(2)(Q), (R), (S); 5200-A(1)(N), 5200-A(2)(L), (M), (N), (O)). Maine will not conform to the bonus depreciation and section 179 expense deduction increases allowed under recent federal legislation. The federal bonus depreciation is increased from 30% to 50% for eligible property acquired after May 5, 2003 and placed in service before 2006. Also, the IRC section 179 expense deduction is increased as follows for eligible property placed in service in tax years beginning after 2002 and before 2006: 1) the deduction limit is increased from \$25,000 to \$100,000; 2) the phase-out threshold is increased from \$200,000 to \$400,000; and, 3) certain off-the-shelf computer software is includable as eligible property for purposes of the section 179 deduction. The addition modification for the net effect of the bonus depreciation includes both 30% and 50% claims. An addition modification is also enacted to add back any additional section 179 expense deduction claimed. Taxpayers will be allowed to recover these add-backs in future years. The bonus depreciation add-back required for taxable years beginning in 2002 may be recovered in equal installments over the remaining life of the asset beginning in taxable years that begin in 2004. Add-backs for both the bonus depreciation and section 179 property required in taxable years beginning in 2003, 2004 and 2005 may be recovered 5% in the year following the year the eligible property is placed in service and 95% in equal installments over the remaining life of the asset beginning 2 years following the year the property is placed in service. For purposes of section 179 property, the remaining life of the asset is determined as though section 179 of the Internal Revenue Code did not apply.

NET OPERATING LOSS. (36 M.R.S.A. §§ 5122(1)(D), 5200-A(1)(B)). Beginning with the 2002 tax year, taxpayers will no longer be required to add back, in the year of the loss, net operating losses being carried back for federal income tax purposes. Federal losses can now be used to offset Maine addition modifications in the year of the loss.

ALTERNATIVE MINIMUM TAX. (36 M.R.S.A. § 5203-A(1)(C)). For tax years beginning in 2003 and 2004, Maine decouples from the increase in the federal exemption amounts applicable to the alternative minimum tax. In calculating Maine minimum tax, the increased federal amounts are disallowed.

PASS-THROUGH ENTITY WITHHOLDING. (36 M.R.S.A. §§ 5250-B, 5251, 5253). All pass-through entities doing business in Maine, beginning in 2003, must withhold income taxes from nonresident owners. The withholding is based on the nonresident member's share of Maine-source income and the amount withheld is based on the highest appropriate tax rate (8.5% for individuals). Trusts are included in the definition of pass-through entity for this withholding requirement. If the nonresident member's share of Maine-source income for the current or prior year is less than \$1,000, the withholding requirement is waived. Other exemptions from the withholding requirement may also apply. Pass-through entities will be required to file returns and make payments quarterly, except that for calendar year 2003, only one annual return and one annual payment will be required, due January 31, 2004. Visit the Maine Revenue Services Web site for more information or call (207) 626-8475 (option 4).

Record-keeping Requirements

Keep a copy of your Maine income tax return, including worksheets. and supporting documents (such as W-2 and 1099 forms) for the same period required for keeping your federal income tax records. This is generally 3 years from the date the return was filed. You should keep some records longer. For example, keep property records (including those on your home) as long as they are needed to calculate the basis of the original or replacement property. See 36 M.R.S.A. § 135.

GENERAL INSTRUCTIONS

should I file a Maine income tax return? If you are a resident of Maine who is required to file a federal income tax return, you must file a Maine income tax return. If you are not required to file a federal return but do have income subject to Maine income tax resulting in a Maine income tax liability, a Maine return must be filed. You do not have to file a Maine income tax return if you meet all of the following requirements: 1) your Maine taxable income is \$2,000 or less, 2) you claim yourself as an exemption on your return, AND 3) you are not subject to the Maine Minimum Tax. However, you must file a return to claim any refund due to you.

If you are a nonresident who has income from Maine sources resulting in a Maine income tax liability, you <u>must</u> file a Maine income tax return. However, you may not be required to file if your Maine income is less than \$6,000 or the number of days worked in Maine is 20 or less. See 36 M.R.S.A. § 5142(8).

Am I a Resident, Part-Year Resident, or Nonresident?

To determine your residency status for 2003, read the following and check the proper box. Retain this worksheet for your records.

Domicile: Domicile is the place an individual establishes as his or her permanent home and includes the place to which he or she intends to return after any period of absence. A number of factors associated with residency are relevant in the evaluation of a claimed domicile. A domicile, once established, continues until a new, fixed and permanent home is acquired. To change domicile, a taxpayer must exhibit actions consistent with a change. No change of domicile results from moving to a new location if the intent is to remain only for a limited time, even if it is for a relatively long duration.

RESIDENCY WORKSHEET

☐ Full-Year Resident:

(1) Maine was my domicile for the entire year of 2003;

OR

(2) I maintained a permanent place of abode in Maine for the entire year <u>and</u> spent a total of more than 183 days in Maine.

☐ Part-Year Resident:

I was domiciled in Maine for part of the year and was not a fullyear resident as defined in (2) above.

IF YOU ARE A *PART-YEAR RESIDENT*, YOU <u>MUST</u> FILE FORM 1040ME WITH SCHEDULE NR OR NRH.

☐ Nonresident:

I was not a resident or part-year resident in 2003, but I do have Maine-source income. Note: If you filed as a nonresident alien on your federal income tax return, file as a nonresident alien on your Maine income tax return, Form 1040ME. Follow the federal filing requirements for filing status, number of exemptions, federal adjusted gross income, and itemized deductions.

IF YOU ARE A *NONRESIDENT*, YOU <u>MUST</u> FILE FORM 1040ME WITH SCHEDULE NR OR NRH.

For additional information on determining Maine residency, see the "Maine Revenue Services Guidance to Residency Status" brochure which can be downloaded at www.maine.gov/revenue or call the forms line at (207) 624-7894.

I AM IN THE ARMED FORCES. WHAT IS MY RESIDENCY STATUS?

Maine Resident: A Maine resident who enters the U.S. armed forces remains a Maine resident throughout the period of military service (even when absent from Maine on military orders) and is subject to the same filing requirements as any other Maine resident. This remains true unless you take legal action to change your residency (domicile) to another state.

Nonresident: If you are not a Maine resident, but are stationed in this state by military orders, your military income is not subject to Maine tax. However, if you or your spouse earned non-military pay in Maine resulting in a Maine income tax liability, you must file Form 1040ME with Schedule NR or NRH.

Instructions for Married Couples:

WE ARE BOTH FULL-YEAR MAINE RESIDENTS. HOW DO WE FILE WITH MAINE? You must file a Maine return using the same filing status as properly used on your federal return.

I AM A FULL-YEAR MAINE RESIDENT, BUT MY SPOUSE IS NOT. HOW SHOULD WE FILE? If you filed a joint federal return you have two options:

(1) You can choose to file a joint Maine return as if both of you were full-year Maine residents;

OF

(2) Each can file a Maine return as a single individual using **Form 1040ME with Schedule NRH**. Each return must show the proper residency status. You may choose this option only if you filed a joint federal return. Otherwise, you must file a Maine return using the same filing status as properly used on your federal return.

WE ARE BOTH NONRESIDENTS, FILED A JOINT FEDERAL RETURN, BUT ONLY ONE SPOUSE HAS MAINE-SOURCE INCOME.

You have two options:

(1) You can choose to file a joint Maine return and determine your joint tax liability as nonresidents using Form 1040ME with Schedule NR;

OF

(2) The spouse who has Maine-source income can choose to file a return as a single individual using **Form 1040ME with Schedule NRH.**

WE ARE BOTH NONRESIDENTS AND BOTH HAVE MAINE-SOURCE INCOME. You must file a Maine return using the same filing status as properly used on your federal income tax return, and you must complete Form 1040ME and Schedule NR.

WHEN MUST I FILE MY RETURN? No later than April 15, 2004.

RETURN

	25	26	27	28	29	30	

WHAT IF I NEED MORE TIME TO FILE? If you are unable to file your return by Thursday, April 15, 2004, Maine allows an automatic sixmonth extension of time to file. Requests for additional time to file must be submitted in writing prior to the expiration of the 6-month period. Generally, the total extension period cannot exceed 8 months.

CAUTION: AN EXTENSION TO FILE YOUR MAINE RETURN IS NOT AN EXTENSION FOR PAYMENT OF TAX. If you owe tax, you must pay at least 90% of that amount by the original due date for filing your return (April 15, 2004 for calendar-year filers) in order to avoid the penalty for late payment of tax. The remaining 10% must be paid when the return is filed on or before October 15, 2004 in order to avoid the failure-to-pay penalty. However, interest is charged on any tax paid after the original due date of your return.

Remit your extension payment with the payment voucher on page 8 by the original due date for filing your Maine return to: Maine Revenue Services, PO Box 9114, Augusta, ME 04332-9114. If you make a payment prior to filing your return, you <u>must</u> use a Long Form (1040ME) when you file your return.

WHERE DO I GET FORMS? Income tax booklets are available at most banks, public libraries, and post offices located in Maine. You may also download forms from the Internet at www.maine.gov/revenue or order forms by calling 1 (207) 624-7894. Note: you must file an original or downloadable state form – photocopies are not acceptable.

MAY I ROUND TO WHOLE DOLLARS? Yes. Round down to the next lower dollar any amount less than 50 cents. Round up to the next higher dollar any amount 50 cents or greater.

I AM GETTING A REFUND THIS YEAR. WHEN WILL I GET MY CHECK? Please allow at least eight weeks for your refund to arrive before you contact us. For automated information about the status of your refund request, visit our Web site at www.maine.gov/revenue or call 1 (207) 626-8461.

WHAT SHOULD I DO IF THERE IS A CHANGE IN MY MAINE TAX LIABILITY? You must file a Maine amended return if you file a federal amended return, if the Internal Revenue Service makes a change to your federal return, or if your Maine tax liability changes for any other reason. Individuals must file a Maine amended return (1040X-ME) within 90 days after filing a federal amended return or after receiving final determination of any change by the Internal Revenue Service. Maine imposes a penalty for failure to notify the state of these changes. When filing a Maine amended return, attach a copy of your federal amended return (Form 1040X) or the Internal Revenue Service agent's report to your form. If the change is to the Maine return only, include a description of the change on page 2 of Form 1040X-ME.

WHAT IF A TAXPAYER DIES? When an individual dies before filing a tax return for a given year, a personal representative or surviving spouse must file a return for the decedent. If the decedent was single and a refund is due, attach Form 1310ME (Statement of Person Claiming Refund Due a Deceased Taxpayer) to the return. A surviving spouse may claim a refund by filing a joint return with the decedent without Form 1310ME. The surviving spouse may file a joint return with the decedent provided similar filing was followed for federal purposes. Write deceased above the deceased taxpayer's name. Enter the date of death in the spaces above the signature area on your return.

WHAT IF THE FEDERAL TAX IS FORGIVEN DUE TO A COMBAT CASUALTY? A taxpayer whose federal income tax liability is forgiven under IRC § 692 due to a combat casualty is similarly forgiven from Maine income tax for the same period(s). To request tax forgiveness, include with your Maine return a statement that shows the computation of Maine tax liability before any amount is forgiven and the amount that is to be forgiven along with any other documentation supporting your claim.

WHAT IF I AM UNABLE TO PAY MY TAXES? If you are unable to pay your taxes in full, you should file your return by the due date and request, in writing, a payment plan. In your request, give your name, social security number, and the amount of money you can pay and indicate how often you can make that payment (example: \$25 per week). Your first payment should be submitted with the request and you should continue to make the payments as you have indicated until Maine Revenue Services contacts you. Indicate your social security number and tax year on the memo portion of your check or money order. A payment plan request will not stop interest or penalties from being added to the tax balance. Requests should be forwarded to Maine Revenue Services, Compliance Division, 888 State House Station, Augusta, Maine 04332-0888. Also, you may call 1 (207) 621-4300 or e-mail to compliance.tax@maine.gov.

WHAT IF I FILE OR PAY LATE? You will be charged interest at 6% per year, compounded monthly, on income tax not paid by the due date (April 15, 2004 for calendar-year filers). An extension allows only additional time to file; it does not allow additional time for payment of tax due or prevent accrual of interest.

In addition to interest, a penalty is assessed for late filing. A separate penalty is assessed for the late payment of tax. The **penalty for late filing** is \$25 or 10% of the tax due, whichever is greater. If a tax return is not filed upon demand, the penalty for late filing is 100% of the tax due. The **penalty for late payment** of the tax is 1% per month up to a maximum of 25%. Both penalties are assessed when the return is filed late and the tax is paid late. The law also provides for penalties for underpaying estimated tax, preparing or filing a fraudulent income tax return, and for understating income.

WHAT IF I AM AN INNOCENT OR INJURED SPOUSE? Maine Revenue Services acknowledges Innocent and Injured Spouse Claims (see federal Form 8379 or Form 8857 and related instructions). The spouse is not required to request federal relief prior to requesting state relief. For more information call the Compliance Division of Maine Revenue Services at 1 (207) 624-9595 or e-mail to compliance.tax@maine.gov. If you believe that your refund may be set off to pay debt owed to another agency, you must contact that agency directly to request injured spouse relief.

SHOULD I CHANGE MY INCOME TAX WITHHOLDING FOR 2004? You may need to review your withholding if the amount of your refund or balance due is large. A married couple with two incomes may choose to use the optional withholding table designed for two-income families. See your employer for details. For withholding questions, contact Maine Revenue Services at 1 (207) 626-8475 or e-mail to withholding.tax@maine.gov.

who must file and pay estimated tax? Generally, you must pay estimated tax if your tax after subtracting withholding and other allowable credits is \$1,000 or more and if the tax liability for the prior year was \$1,000 or more. Equal installments of estimated tax are due on April 15, June 15, September 15, and January 15. Form 1040ES-ME is available at www.maine.gov/revenue or by calling 1 (207) 624-7894.

IS THERE A PENALTY FOR NOT PAYING ENOUGH ESTIMATED

TAX? Yes. If you did not pay enough estimated tax or have enough tax withheld from your earnings by any due date for paying estimated tax, you may be subject to a penalty. For calendar year 2003, the underpayment penalty is 7%, compounded monthly. For calendar year 2004, the penalty is 6%, compounded monthly.

If your 2003 tax liability is \$1,000 or more, you should refer to Form 2210ME, Underpayment of Estimated Tax by Individuals.

WHAT IF I AM MOVING? Let us know your new address. E-mail: income.tax@maine.gov, or write: Maine Revenue Services, P.O. Box 9100, Augusta, Maine 04332-9100.

Line 18. Exemption. Multiply the total number of exemptions on line 13 by \$2,850 and enter the result on this line.

Caution: If you filed federal Form 1040EZ and answered "Yes" on line 5 of that form and line F of the "Worksheet for dependents who checked 'Yes' on line 5" is zero (see reverse side of federal Form 1040EZ), enter zero on line 18 of your Maine long form. If you answered "Yes" on federal Form 1040EZ, line 5 and line F of the worksheet is \$3,050, enter \$2,850 on line 18 of your Maine long form.

STEP 4: CALCULATE YOUR TAX

Line 20. Income Tax. Find the tax for the taxable income on line 19 in the tax table on pages 31 through 35.

Line 31. Use Tax (Sales Tax). If you have purchased items for use in Maine from retailers who do not collect the Maine sales tax (such as businesses in other states and many mail order and internet sellers), you owe Maine use tax on those items. The use tax is calculated at the same rate as the sales tax. The rate of tax for purchases in 2003 is 5%. If you paid another state's sales or use tax on any purchase, that amount may be credited against the Maine use tax due on that purchase. If you do not know the exact amount of Maine use tax that you owe, either multiply your Maine adjusted gross income from line 16 by .04% (.0004) or use the table below. **NOTE:** If you use the percentage method or the table and owe use tax on items that cost \$1,000 or more, you must add the tax on those items to the percentage or table amount. Use Tax on items that cost more than \$5,000 must be reported on an individual use tax return by the 15th day of the month following its purchase. The use tax may be reviewed. If it is determined that you owe more use tax than what is shown on your return, you may be subject to an assessment for the additional use tax plus interest and penalty.

Do you owe a Maine Minimum Tax?

The following individuals must complete the Maine Minimum Tax Worksheet to determine whether they owe a Maine minimum tax:

- Individuals that have a federal tentative minimum tax on federal Form 6251, line 31:
- Individuals who do not have a federal tentative minimum tax on federal Form 6251, line 31, but who do have federal alternative minimum taxable income on federal Form 6251, line 28* plus any Maine addition income modifications (see Maine Schedule 1, lines 1a through 1f), the total of which is greater than the Maine minimum tax exemption amount (see page 24, line 4).

*NOTE: If you are not subject to the federal alternative minimum tax, you will need to complete a federal Form 6251 in order to determine the amount of the federal alternative minimum taxable income on line 28.

If you exceed these thresholds, you must complete a Maine Minimum Tax Worksheet to determine whether you owe Maine minimum tax. See instructions and supporting Worksheets at www.maine.gov/revenue or call (207) 626-8475.

Line 2. The income modifications that apply to the Maine regular tax also apply to the Maine minimum tax. See Schedule 1 on page 19 and related instructions on pages 9 and 10 for a description of the Maine income modifications. To calculate the amount for line 2, complete and attach the Worksheet for Line 2 (Maine AMT Modifications) available at www.maine.gov/revenue or call (207) 626-8475. The amount you enter on line 2 may be either a positive or negative number.

Line 4. Enter on line 4 the appropriate amount from the table at line 4 on the Worksheet. If line 3 is greater than the income amount in the table for your filing status, complete and attach the **Worksheet for line 4 (Maine AMT Exemption Worksheet)** available at www.maine.gov/revenue or call (207) 626-8475.

Line 6. To compute the amount to enter on line 6, recalculate the federal tentative minimum tax (federal Form 6251, line 31) based on the Maine minimum tax taxable income entered on line 5 of this worksheet.

Line 7. The **nonresident and part-year resident apportionment factor** is the amount of the taxpayer's *Maine-source* income included on line 5 **divided** by the *total* income on line 5.

NONRESIDENT AND PART-YEAR RESIDENT INSTRUCTIONS

Nonresident individuals, including individuals who were nonresidents for only part of the year, who have Maine-source income (described below) may owe a Maine income tax. The Maine tax is determined by first calculating a tax amount as if the resident were a Maine resident and then reducing that amount by a "nonresident credit." The Maine tax is calculated on the basis of the nonresident's entire federal adjusted gross income and the Maine income modifications, itemized or standard deductions, personal exemption amounts and credits. The nonresident credit is based on the amount of the tentative tax that is attributable to income that Maine cannot tax. The nonresident credit is calculated on Schedule NR or Schedule NRH.

INCOME SUBJECT TO MAINE INCOME TAX:

A part-year resident is subject to Maine income tax on all income received while a resident of Maine, plus any income derived from Maine sources during the period of nonresidence. A nonresident individual is subject to Maine income tax only on taxable income derived from sources within Maine. This includes the following:

- Salaries and wages earned working in Maine, including all taxable benefits such as annual and sick leave;
- Distributive share of income (loss) from partnerships and S Corporations operating in Maine;
- 3. Shares of trust and estate income derived from Maine sources;
- 4. Income (loss) attributed to the ownership or disposition of real or tangible personal property in Maine; and
- Maine State Lottery or Tri-State Lottery winnings from tickets purchased within Maine on or after July 13, 1993, including payments received from third parties for the transfer of rights to future proceeds related to Maine State Lottery or Tri-state Lotto tickets purchased in Maine.

Income from intangible sources, such as interest, dividends, pensions, annuities, gains or losses attributable to intangible personal property, is not Maine-source income **unless** it is attributable to a business or profession carried on in Maine.

SHOULD I FILE SCHEDULE NR OR SCHEDULE NRH?

Read the instructions on page 4. You must file Schedule NR if you are a nonresident or part-year resident individual required to file a Maine return, have income not taxable by Maine, and are using the same filing status used on your federal return.

You may elect to file single on the Maine return using Schedule NRH only if your filing status on your federal return is married filing jointly and your residency status is different from that of your spouse or both you and your spouse are nonresidents of Maine, but only one of you has Maine-source income. The nonresident spouse with no Maine-source income does not have to file a Maine return. Do not use Schedule NRH if your filing status on your federal return is single, head-of-household, or married separate.

IMPORTANT: Complete Worksheets A and B before completing Schedule NR or Schedule NRH. Also complete Worksheet C (Employee Apportionment Worksheet), if applicable. For a copy of Worksheet C, go to the Maine Revenue Service Web site at: www.maine.gov/revenue or call 1 (207) 624-7894 (to order).

INSTRUCTIONS for WORKSHEET B - Income Allocation Worksheet for Nonresidents/Part-year Residents

Part-year resident and nonresident individuals **must** complete *Worksheet B* to calculate Maine-source income for the entire taxable year. Married persons filing separate Maine income tax returns must complete separate Worksheets B.

Part-Year Residents: If you are unable to determine the exact amount of income, other than wages, earned during the period of Maine residency, divide the total income earned by 12 and multiply the result by the number of months you were a resident. This method can be used to allocate interest, dividends, pension or annuity distributions or other income received from intangible sources. Generally, this method cannot be used to determine Maine-source business income, rental income, or capital gains since this income is determined on the basis of where the business activity occurs or the location of the property.

NOTE: If you are filing Schedule NRH, DO <u>NOT</u> include your spouse's income on Worksheet B.

Column A – Federal Income. Enter the amounts of income as reported on your federal return. Both nonresident and part-year resident individuals must complete this column.

Column B – Maine Resident Period. Part-year residents, enter the portion from column A received during the period you were a Maine resident. If you were a nonresident of Maine for the entire year, skip columns B and C and complete columns D and E.

Column C – Resident Period, income earned outside Maine. Partyear residents only - enter income from column B that you received while a resident of Maine that was earned outside Maine.

Column D – Nonresident Period. Enter income from column A that you received during the period you were a nonresident of Maine. Both nonresident and part-year resident individuals must complete this column.

Column E – Nonresident Period Maine-source Income. Both nonresident and part-year resident individuals must complete this column. Enter income from column D that you received while a

nonresident that was derived from or connected with Maine sources, including income from, but not limited to: 1) services performed in Maine; 2) real or tangible personal property located in Maine; and 3) businesses, trades, professions or occupations conducted in Maine.

If necessary, use Worksheet C (Employee Apportionment Worksheet) at www.maine.gov/revenue to calculate the amount for column E, line 1.

Instructions for using Worksheet B to complete Schedule NR, line 1.

- 1. Enter Worksheet B, column A, line 15 on Schedule NR, line 1, box A.
- Add Worksheet B, column B, line 15 to Worksheet B, column E, line 15. Enter the total on Schedule NR, line 1, box B.
- 3. Subtract Worksheet B, column E, line 15 from Worksheet B, column D, line 15. Enter the result on Schedule NR, line 1, box C.
- 4. Follow the instructions for Schedule NR in order to complete lines 2 through 9 on Schedule NR.

Instructions for using Worksheet B to complete Schedule NRH, line 1.

- 1. Complete Worksheet B, columns A through E.
- Complete Schedule NRH, column B, lines 1a-1f by adding corresponding lines from Worksheet B, column B, to Worksheet B, column D. For example, add Worksheet B, column B, line 1 to Worksheet B, column D, line 1 and enter the result on Schedule NRH, column B, line 1a. NOTE: Schedule NRH, column B, line 1f must equal Worksheet B, column A, line 15.
- Complete Schedule NRH, column C, lines 1a-1f by subtracting corresponding lines on Worksheet B, column E, from Worksheet B, column D. For example, subtract Worksheet B, column E, line 1 from Worksheet B, column D, line 1 and enter the result on Schedule NRH, column C, line 1a.
- 4. Follow the instructions for Schedule NRH in order to complete lines 2 through 11 on Schedule NRH.

Instructions for Part-year Residents Eligible to Claim Both the Credit for Tax Paid to Other Jurisdictions and the Nonresident Credit

Generally, a part-year resident cannot claim both a nonresident credit (Form 1040ME, line 25) and a credit for income taxes paid to another jurisdiction (Form 1040ME, Schedule A, line 8). However, when a part-year resident of Maine earns income in another jurisdiction both as a resident and as a nonresident of Maine during the same tax year, the part-year resident may be able to claim both credits. The nonresident credit is calculated first and is based on the income earned while a nonresident of Maine. The credit for income taxes paid to another jurisdiction is calculated next and is based on the income earned while a resident. This is the only time when a part-year resident can claim a credit for tax paid to other jurisdictions. A part-year resident can usually claim a nonresident credit, provided that the individual had income as a nonresident of Maine. Following are examples of when a taxpayer can or cannot claim both credits:

Both Credits Allowable: A taxpayer lives in New Hampshire and works in Massachusetts. In June, the taxpayer moves from New Hampshire to Maine, but continues to work in Massachusetts. This taxpayer could claim both credits. The nonresident credit would be based on the income earned prior to moving to Maine. The credit for income taxes paid to another jurisdiction would be based on the income earned after moving to Maine that was also taxed by Massachusetts. The income earned before moving to Maine, although taxed by Massachusetts, could not be used when calculating the credit for income taxes paid to another jurisdiction because the taxpayer was not a resident of Maine at the time the income was earned.

Nonresident Credit Only: A taxpayer lives in New Hampshire and works in Massachusetts. In June, the taxpayer moves from New Hampshire to Maine. The job in Massachusetts is terminated at the time of the move and a new job is obtained in Maine. The taxpayer could claim a nonresident credit based on the income earned in Massachusetts while living in New Hampshire. The taxpayer could not claim a credit for income taxes paid to Massachusetts because none of the income taxed by Massachusetts was earned while the taxpayer was a Maine resident.

FOLLOW THESE STEPS IF YOU ARE CLAIMING BOTH CREDITS:

- 1. The Maine income tax return begins with federal adjusted gross income, regardless of residency status. This establishes the appropriate tax rate to be applied to the taxpayer's income earned in Maine or as a Maine resident. Complete the Maine long form through the Total Tax line (1040ME, line 23). (If filing Schedule NRH, refer to the instructions for Schedule NRH.)
- Complete Schedule A, Adjustments to Tax, exclusive of the credit for income taxes paid to another jurisdiction. The credit for tax paid to other jurisdictions will be calculated later. <u>Do</u> <u>not</u> calculate the Total Credits on Schedule A, line 25 at this point.
- Calculate the nonresident credit using Schedule NR/NRH. Complete Schedule NR or NRH according to the instructions on the form.
- 4. Calculate the Credit for Taxes Paid to Other Jurisdictions on Schedule 3 on page 22. Enter on Schedule 3, line 1 the Maine adjusted gross income while a Maine resident (Form 1040ME, line 16 minus Schedule NR, line 6 or Schedule NRH, line 6, column C). Follow the instructions for completing lines 2, 3, and 5 on Schedule 3. On line 4a, enter your Maine tax (1040ME, line 20 minus line 25) and multiply the result by the percentage entered on line 3. On line 4b, if income taxes were paid to the other jurisdiction both while a resident and a nonresident of Maine, prorate the amount of income taxes paid to that jurisdiction based on the percentage of the income that was earned while a Maine resident. Enter Schedule 3, line 5 on Maine Schedule A, line 8.
- Complete Maine Schedule A and the 1040ME long form return. Attach a copy of Schedule 3 and Schedule NR or NRH to your return.

WHO SHOULD FILE SCHEDULE CP? You only need to file Schedule CP if you want to make voluntary contributions to any of the organizations listed below or if you choose to purchase a park pass for entry into Maine State Parks. Otherwise do not file Schedule CP.

A. CONTRIBUTIONS

Lines 1-6. Check the appropriate box or boxes to indicate the funds and amounts of your choice. If you are filing a joint return, you and your spouse may make separate party designations for political party contributions. Write in the amount of your contributions on the corresponding line.

Endangered and Nongame Wildlife Fund "Chickadee Check-off" - The Chickadee Check-off is a voluntary tax contribution whose proceeds are placed in the Nongame and Endangered Wildlife Fund and used to fund the endangered and non-game wildlife programs. Contributions may be deductible the following year on state and federal income tax returns. For more information, visit the Inland Fisheries and Wildlife Web site at www.maine.gov/ifw/wildlife/chickadee/ chickadee.htm.

Maine Children's Trust - Maine Children's Trust was established to prevent child abuse and neglect in Maine. Funds contributed are used to support this goal in many ways, including the funding of community-based prevention activities and programs throughout Maine. Contributions may be deductible the following year on state and federal income tax returns. The fund is administered by the Maine Children's Trust. For more information, visit the Maine Children's Trust Web site at www.mechildrenstrust.org.

Human Leukocyte Antigen Screening Fund - To support blood testing to classify donors for joining the National (bone marrow) Registry. Donations to the

fund will be used to support bone marrow screening. Contributions may be deductible the following year on state and federal income tax returns. The fund is administered by the Department of Human Services.

B. PARK PASSES

Maine Park passes can be purchased through Maine Revenue Services when you file your income tax return. Park passes can be purchased at a cost of \$30 for an individual season pass and \$60 for a vehicle season pass. (Free day use passes are issued by the Bureau of Parks and Lands to senior citizens who are 65 years or over upon proof of age.) An individual pass allows only the pass holder admittance to day use of Maine state parks and historic sites. A vehicle pass allows all occupants of the vehicle admittance to day use. These passes do not include entry into Baxter State Park, Allagash Wilderness Waterway, the Penobscot River Corridor or Scarborough Beach. Any pass purchased will reduce the amount of your refund or increase the amount you owe. If you have any questions regarding the purchase of park passes, please call the Bureau of Parks and Lands at 1 (207) 287-3821.

Lines 8-9. Enter the number of Individual and/or Vehicle park passes you wish to purchase in the space provided. Multiply each entry by the cost shown and enter the total in the boxes provided. Note: You may purchase park passes through Maine Revenue Services with excess refund amounts, checks, or money orders. You may also purchase a park pass directly from the Bureau of Parks and Lands.

INCOME SUBJECT TO MAINE INCOME TAX:

A **part-year resident** is subject to Maine income tax on all income received while a resident of Maine, plus any income derived from Maine sources during the period of nonresidence. A **nonresident** individual is subject to Maine income tax on taxable income derived from sources within Maine. This includes the following:

- 1. Salaries and wages earned working in Maine, including all taxable benefits such as annual and sick leave;
- 2. Distributive share of income (loss) from partnerships and S corporations operating in Maine;
- 3. Shares of trust and estate income derived from Maine sources;
- 4. Income (loss) attributed to the ownership or disposition of real or tangible personal property in Maine; and
- 5. Maine State Lottery or Tri-State Lottery winnings from tickets purchased within Maine on or after July 13, 1993.

Income from intangible sources, such as interest, dividends, pensions, annuities, gains or losses attributable to intangible personal property, is not Maine-source income **unless** it is attributable to a business or profession carried on in Maine.

SHOULD I FILE SCHEDULE NR OR SCHEDULE NRH?

Read the instructions on page 13. You must file Schedule NR if you are a nonresident or part-year resident individual required to file a Maine return, have income not taxable to Maine, and are using the same filing status used on your federal return.

Instead of filing Schedule NR, you may elect to file single on the Maine return using Schedule NRH if your filing status on your federal return is married filing jointly and your residency status is different from that of your spouse or both you and your spouse are nonresidents of Maine, but only one of you has Maine-source income. The nonresident spouse with no Maine-source income does not have to file a Maine return. Do not use Schedule NRH if your filing status on your federal return is single, head-of-household, or married separate.

SCHEDULE NR INSTRUCTIONS

- STEP 1 Complete Worksheets A and B on pages 25 and 26 before completing Schedule NR.
- STEP 2 Complete Form 1040ME, lines 1 through 24.

- **Line 3. FEDERAL INCOME ADJUSTMENTS NON-MAINE-SOURCE ONLY.** Complete this section only if you have federal income adjustments on federal Form 1040, line 33, or federal Form 1040A, line 20. Multiply your total federal income adjustments by the percentage listed on line 2 of Schedule NR.
- Line 4. FEDERAL ADJUSTED GROSS INCOME NON-MAINE-SOURCE ONLY. Subtract line 3 from line 1, Box C.
- Line 5. MODIFICATIONS NON-MAINE-SOURCE ONLY. Use this section only if you have income modifications entered on Form 1040ME, line 15. Enter your modifications to income from non-Maine sources. For details on these modifications, see the instructions for Schedule 1 on page 9. Do not include taxable refunds of state and local taxes. Prorate the pension deduction (Form 1040ME, Schedule 1, line 2d) based on the percentage of qualified pension income received as a nonresident.
- Line 6. NON-MAINE ADJUSTED GROSS INCOME. Add or subtract your total modifications, line 5c, to or from line 4.
- **Line 7. RATIO OF MAINE ADJUSTED GROSS INCOME.** Divide the amount of your non-Maine adjusted gross income, line 6, by your total Maine adjusted gross income from Form 1040ME, line 16. If this ratio is less than 0, enter 0.0000. If it is greater than 100, enter 1.0000.
- **Line 8. TAX SUBTOTAL.** Enter your tax subtotal. This is Form 1040ME, line 20 plus line 21 (except minimum tax) minus line 22, minus Maine Schedule A, lines 5 and 7.

Enclose Schedule NR and Worksheets A and B (and Worksheet C, if used) with your Maine return, Form 1040ME. Include a COMPLETE copy of your federal return, including all schedules and worksheets. If you use the standard deduction on your joint federal return, use the Maine "single" standard deduction. The Maine standard deduction for a single individual is \$4,750 unless you claimed zero exemptions on your federal return. If so, the standard deduction is the greater of \$750 or the sum of \$250 plus earned income up to a maximum of \$4,750. If you are age 65 or over **or** blind, increase the standard deduction amount by \$1,150. If age 65 or over **and** blind, increase it by \$2,300.

Enter your deduction amount (itemized or standard, whichever is greater) on line 8, column B.

Line 9 — **Exemptions.** You are entitled to claim your own personal exemption plus a portion of the <u>dependent</u> exemptions claimed on your joint federal return. Follow the instructions on Schedule NRH to complete lines 9a, 9b and 9c.
